FUN IN THE SUN SCR JD CLINIC & TOURNAMENT

The Junior Development Tournament is a skier favorite among adults and kids for many reasons! The kids are getting to see their "summer ski friends" for the first time after a long break, while making new friends and showing the new skiers the ropes of the tournament, and the adults are getting to cheer on all of the excited kids!!

This year it was a scorching hot June weekend, but the wind decided to lay down for the first time all summer, giving the junior skiers of the SCR awesome conditions at San Marcos River Ranch. There were numerous PB's (too many to count), first-time tournament skiers, and loads of fun had by all!!

The Jr. Development Committee hosted a clinic for the kids skiing in the tournament on Thursday and Friday. Each skier got one-on-one instruction with elite level coaching for 3 sets, which gave them great confidence going into the tournament weekend!

The tournament kicked off on Saturday with the National Anthem, followed by some fantastic slalom, tricks, and jumping! We had two new Boys 1 skiers, Wyatt Cornelius and Connor Mellema, ski in their first tournament ever and they did great! 30 junior skiers in all participated in the weekend, and each one finished their set with a smile!!

A special thank you to all of the coaches, volunteers, boat drivers, judges, and scorers that made this weekend a success!! Can't wait to do it all again next year!!
